

We are collaborating with The Meridian Idaho Days for Girls Team for our activity on Thursday, June 9th, at 12pm. We will be helping to complete Reusable Feminine Hygiene Kits that will be sent worldwide to areas where women do not have access to these products, as well as donated locally to those who struggle to have the items they need monthly. In order to complete the kits, there are items that can be donated. Please see the list below for items you can bring with you to help complete kits:

Supply Donations Needed:

- Bright Colored **100% cotton** normal cut underwear (Women's size 5,6,7, or 8) No animal, words, or face prints. No boy shorts, brief cut is best. It is very hard to find all colored packs and they will dye white pairs but please choose packs with the fewest white possible (including white in the print).
- Bright colored washcloths (Walmart Mainstay brand are the right weight). Please no all white packages
- New Hotel size bars of soap
- Donations of feminine hygiene supplies (tampons, pads etc) that can be donated locally
- There will be a donation jar available for those wishing to donate funds to purchase fabric and supplies to help the chapter get more kits into the hands of women and girls around the world. Each kit costs about \$10 to produce. If you will not be in attendance that evening but would like to donate, Donations can also be made by mailing them to 1024 E Grouse Dr, Meridian, ID 83646 checks payable to "Days for Girls".
